Access SARS-CoV-2 IgG Antibody Assay is Now Available

## Access SARS-CoV-2 IgG Serology Assay

Antibody testing may be a vital tool for determining who has already been infected and might have immunity to the coronavirus.<sup>1</sup>

Building on our strong commitment to the fight against COVID-19, we have launched the Access SARS-Cov-2 IgG serology test, supported by market-leading production volumes that will ramp to over 30 million tests a month.
